Rates per person per night

Adults with Double Occupancy \$89.00

Adults single Occupancy \$120.00

Most rooms have one queen bed and one double, so if two single guys or gals want to share a room, the cost per person is \$89.00.

In the event that a single or couple stays elsewhere, such as camping or they live nearby the resort has extended an invitation for those members to join the main group in all activities available. Anyone that doesn't stay at The Acra Resort is invited to join us for the breakfast buffet and/or the dinners. The cost is \$12.00 per person for the breakfast buffet and \$30.00 per person for the dinner.

The resort has 38 rooms available currently with no other guests registered yet and they are holding all 38 rooms until May 1st.

There is a \$50.00 per person deposit to hold the reservation which is refundable in full if the reservation is cancelled at least 2 weeks before the date of arrival. After two weeks the resort will hold the deposit and allow a credit for a future stay.

Please call the resort directly to make all arrangements.

Remember May 1st is the date which all reservations have to be made and deposits paid. After that the resort will open the rooms for any other groups or individuals. Our goal is to fill the resort and take all 38 rooms.
